What is the TAX CREDIT?

According to A.R.S. §43-1089.01, individuals can send state taxes to the State of Arizona or make a donation to a public school. Individuals will receive a state income tax credit of up to \$200 for a single individual/married individual filing separately or \$400 for married couple filing jointly. This is an excellent way to help a school and program of your choice with a reduction of a tax liability, not just a reduction of your taxable income, on a dollar for dollar basis. Please consult your tax advisor for specific details on how this could benefit you.

What happens to the TAX CREDIT money sent to the school?

The money can be designated for a specific program or a specific campus.

What is the deadline to take advantage of the TAX CREDIT?

The form and donation must be postmarked no later than December 31, 2010 in order to apply to the State of Arizona taxes filed for 2010. AAEC District office will supply a receipt to confirm the timely contribution for the extracurricular activity.

Arizona Agribusiness & Equine Center Inc.
